

**Report of the Transparency Initiative Coordinating Committee (TICC)  
August 19, 2012**

TICC activities during the past month have included the following:

- TICC met on August 8 and reviewed a third draft of the proposed Transparency Initiative policies and procedures to be used in a second pilot study. Based on that discussion, a fourth draft has been prepared and circulated to Committee members. AAPOR President Paul Lavrakas also reviewed and provided comments on the fourth draft, which will be considered by the full Committee during our next conference call, scheduled for August 29. We are hopeful that the few remaining issues will be resolved at that time and that a draft proposal for a second pilot test will be submitted to the AAPOR Council during its September meeting.
- Also during August, TICC worked with AAPOR staff to develop a budget for staff support for the Committee's work for the duration of the current Council year (i.e., through May 2013).
