

**TICC Monthly Report  
October 2013**

During October, the Transparency Initiative Coordinating Committee met twice this month, on October 9<sup>th</sup> and the 30<sup>th</sup>. During the October 9 meeting, we reviewed feedback obtained from organizations participating in the pilot study and made tentative decisions regarding multiple revisions to our proposed policies and procedures to address them.

During the October 30 meeting, we reviewed several TI documents that required revisions based upon that feedback. We are now in the process of revising the TI's proposed first year budget, and finalizing a roll-out plan, both of which will be submitted to the Council in November.
