

# Abstract Submission: Poster

## 1. Select 'Begin a Submission' under Poster

work plays in advancing science in a variety of areas, while the research leads can continue to describe innovative methods and results that provide value to the substantive lead.

All submitted joint abstracts will automatically be included in a competition for spotlight collaborative presentations, which would be highlighted in the final conference program. In addition to this special recognition in the program, the 10 most highly-rated joint abstracts will have one night of a hotel stay and airfare/travel (not to exceed \$500) covered for the collaborating non-member presenter.

We are looking forward to this opportunity to introduce more fields and communities to the important work being done by AAPOR members and celebrating everything that AAPOR does to enhance collaborative science. We also welcome submissions on topics across public opinion, survey research methods, and social science research related to these [conference tracks](#).

**Submissions:** The proposal submission form is unique to each submission type but generally requests author contact information, title, presentation track, keywords describing the content of the presentation, and an abstract of no more than 300 words. To promote broad conference participation, an individual may not submit more than two proposals as first author, regardless of the proposed format of the submission. For specific descriptions and requirements for each proposal type, as well as to submit your proposal, please use the expandable sections below.

All abstracts should be submitted electronically by Friday, November 4, 2022, at 11:59 p.m. ET.

Space on the program is limited. There will be some individual submissions that cannot be integrated into a session and will, unfortunately, not be accepted. Authors of individual papers have a greater chance of acceptance if they are also willing to be considered for a methodological brief or poster.

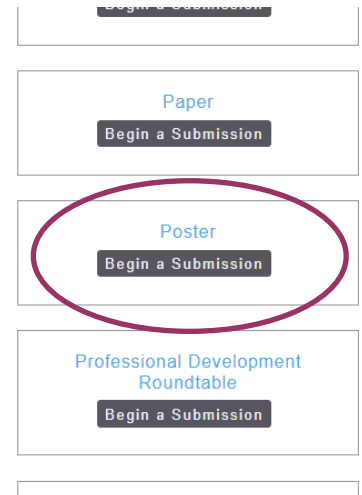

Additional details and instructions for submitting an abstract for the 2023 AAPOR Conference can be found on the AAPOR website.

**Inquiries:** Questions concerning the AAPOR conference or the proposal submission process should be directed to AAPOR Conferences and Education Senior Manager, Renata Casiel, [rcasiel@AAPOR.org](mailto:rcasiel@AAPOR.org).

**PLEASE NOTE:** You will be required to sign in with your AAPOR.org account credentials after clicking 'Begin a Submission'.
