2. Ashley Kirzinger discussed pending applications
 - a. Kenya Market Trusts
 - b. Issues & Answers
 - i. Looking for a second reviewer
3. Ashley, Tim, and Alian provided an update from the TICC Subcommittee on expanding membership to sampling organizations. The TICC decided against expanding membership at this time due to barriers facing non-probability sample providers due to the current version of the AAPOR Code.
4. The TICC nominated two organizations to highlight in upcoming newsletter (University of Wisconsin, AIR). Ashley will be contacting those organizations in the coming weeks.
