TICC Agenda

Members present: Alian, Becky, Crystal, Jenny, Tim, Rene, Pia, Stephanie E., Krista, Yvonne, Ron, Katrina, Yazmin, Seth, Jaime,

1. Discussed the Biennial evaluations – many people recently completed their reviews [<https://urbanorg.app.box.com/s/akcfvocwwjlkp8g93tw8vcpy7z0qh89>]. Next round of reviews will go out next month, but no hard deadlines given the upcoming holiday season.
2. Decision Information Resources, Inc. was sent a formal letter asking whether they wanted to still be a TI member. They responded positively and Ron has agreed to work with them (and their new contact person) on getting their biennial review completed.
3. We discussed a complaint about a TI member not providing sample sizes or the margin of sampling errors on reported poll results. Krista has agreed to review the complaint to see if this was an isolated incident that can be easily addressed or has already been addressed – or whether this is a more serious problem that would require us to re-review their membership
4. Finally, we said Farewell to Crystal – she will be missed.
